### HENRE 2<sup>nd</sup> Annual Meeting 2011

On the 4th of March HENRE—the EFRS educational wing met in Vienna. The meeting was kindly hosted by the FH Campus. 35 delegates represented 21 universities from 12 European countries. The full day meeting covered many agenda items.

The first HENRE management team was appointed:

Philippe van Laer—Belgium

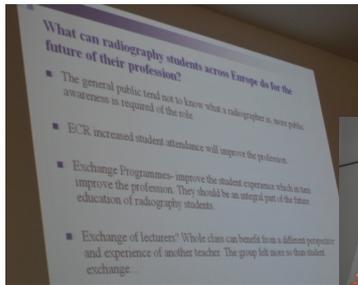

Helle Precht—Denmark

Gerold Unterhumer—Austria

The logo design for the educational wing was approved

HENRE activities were discussed and subgroups brainstormed about radiography research and the possibilities to join forces at the European level.

At the same time a student meeting was organised to exchange information and to generate ideas and actions for the future. 22 students from 9 countries, represented 11 institutions

The students discussed and reported about matters as their position on the labour market, setting up a European student network and their future role for the profession.
