5th EFRS Annual General Meeting in Athens

Registered: 23 member societies with 38 delegates and 7 affiliate members with 9 delegates.

Approved membership applications:

On Friday the 2nd and Saturday the 3rd of November the 5th EFRS AGM took place in Athens. The local organising committee from the TEI society STRAAPT prepared all practical aspects and guaranteed a wonderful stay in Athens. Country and city in difficulty, but full of eternal history and culture and all participants will keep the sight of the Acropolis by night in their memory for ever. It is hoped that the presence and sympathy of so many European colleagues will strengthen the Greek radiographers.

Full membership:

AITRI - Associazione Italiana Tecnici di Radiologia Interventistica – Italy

Affiliate membership:

Italy:

University of Bologna
University of Milan
University of Udine

Portugal:

ESSUAlg – Faro

Germany:

Schule für Medizinisch Technische Radiologie Assistenten – Homburg

On the Friday morning there was an informal HENRE meeting with Evidence Based Practice as main item for information and discussion.

EFRS Policy Statements:

To clarify and support the work and role of the EFRS draft policy statements on Radiographer education in Europe and Role Development for Radiographers were discussed and approved with minor changes.

The EQF level 6 benchmark document for radiographer education in Europe was presented and discussed. The document will now be completed with Nuclear Medicine. The next draft will be discussed in the HENRE annual meeting in March and the final document will be on the agenda for approval in the EFRS AGM 2013.
